

Link SharePoint

link

Mobile SharePoint is Easy with the LINK App

SharePoint, Intranet & Docs in a Single Encrypted Container App

Quick access to your SharePoint resources

- For smartphones & tablets
- Mobilize your SharePoint portal as-is
- Team sites, calendars, directories & more
- Familiar desktop browser view & navigation
- View documents & save for offline viewing later
- Edit documents with MS Office for iOS apps
- Active Directory authentication plus second-factor
- Simple connectivity using HTTPS - no VPN or remote desktop
- Integration with SharePoint 2010, 2013, & 2016

Key Features

- Access your SharePoint portal including Handshake
- Touch-enabled
- Your directory, team sites, calendars, and libraries
- Plus, Outlook email, contacts, calendar, DMS/ECM

“Our SharePoint portal includes client-matter billing, business intelligence, marketing and office information. Our portal is very popular and now it’s always accessible.”

- Law Firm CIO

Mobile Helix Link

LINK is a secure container app that isolates firm documents and applications from personal content. LINK may be remotely wiped by IT.

LINK is deployed on-premises, where it is installed on Virtual Machines. Licensing is simple and predictable - per user per year. Legal teams get immediate results and ROI in the first month.

Try LINK with our free, 30-day trial. To get started please visit www.mobilehelix.com/try-link.
