

Encrypted Mobile App for Attorneys

Compare, annotate, and email documents in single app
Now with **LINK Mobile Data Loss Prevention** features

LINK – Work with Documents

- Access documents in iManage Work®, NetDocuments®, OneDrive for Business, & network file shares
- High fidelity document viewer with document search, go-to page, index, bookmarks, thumbnails, & split screen mode
- In-app annotation includes all popular mark-up features plus irreversible redaction, signature, and stamps
- In-app document comparison with compareDocs by DocsCorp
- Edit with the MS Word / Office apps
- Email documents as a DMS link, Office file, or PDF
- Search DMS
- Check documents into & out of DMS
- Save files for encrypted offline access

LINK Email

- Open DMS links in email & view, including redlines
- NEW! LINK VIP Email - set VIPs, then sort & filter by VIP; special VIP sound for VIP Email notifications
- Import an attachment into DMS
- Use LINK Predictive Filing to file multiple emails to DMS or Outlook folders

Key Workflows

- Annotate or edit an attachment to email; check-in to DMS; email
- Compare an attachment to a document in DMS; annotate; email to next person
- Compare two documents in DMS; email redlined & clean copies
- Check-out & edit a Word document; check-in new version; email as a DMS link, .docx, or PDF

“To be able to open DMS documents at anytime, then to compare and annotate with a single app...our attorneys can be responsive when they are away from the office.”

- CIO, Law Firm

LINK by Mobile Helix

LINK is a secure container app that encapsulates firm documents and applications from personal content. LINK may be remotely wiped by IT.

LINK is deployed on-premises, where it is installed on Virtual Machines. Licensing is simple and predictable - per user per year. Legal teams get immediate results and ROI in the first month.

Try LINK with our free, 30-day trial. To get started please visit: www.mobilehelix.com/try-link.
